You should investigate your top answers by reading about each one of them. This can be done by clicking on the *Learning more about....* buttons.

When you finish this exercise and have your results:

1. List your top five religious persuasions (Listed Above)
2. Did any of your top five religions match your real religious beliefs?
(Give a brief explanation – 3-4 sentences)
3. Finally, **type a ONE-PAGE** (12pt font) paper which gives the major tenets/beliefs of one of your top five religions that you know the **LEAST** about before today.
 - a. Attach your printed one-page paper to this assignment sheet.
